a. Reported on his meeting with Representative Taber. Mr. Taber had with him Representative Sykes whom he wished to have briefed on RFE preparatory to a European trip, on which Mr. Sykes will also be interested in certain CIA activities. Mr. Dulles asked that General Truscott be informed. The Director noted also that, with respect to the personnel ceiling, Mr. Taber agreed that we should work out our personnel problem with the Bureau of the Budget. Colonel White reported that he had called Mr. Sprankle, Chief Clerk of the Committee, and that he anticipates no difficulty in handling the personnel ceiling with Budget. Colonel White requested the Director to dictate a memorandum for the file on his conversation with Mr. Taber. The Director suggested that since Mr. Sprankle occupies a position of considerable importance to the Agency, we make an effort to improve our relations with him. The Director noted also that he had met Mr. Streibert, who may be taking over International Information Administration, in Mr. Taber's office.
